

2022 DVP BOARD BALLOT

You may vote for no more than **three** property owners and **one** business owner.

However, you may choose to cumulate your entire vote for one candidate or split your votes among the candidates as you wish.

Votes will be weighted based on the 2022 property assessments, meaning a property owner who pays \$5,000 in assessments gets 5,000 votes and a property owner who pays \$100 in assessments gets 100 votes.

Please **return** this **one-page ballot** by **March 18 (postmarked)** to Downtown Ventura Partners, P.O. Box 1414, Ventura, CA 93002, or cast your vote electronically by email to kevin@downtownventura.org.

The ballots must be counted, under independent supervision, no less than five days before the March 24 regularly scheduled board meeting, when the new officers will be welcomed.
